Bravine Alusiola

Front End Web Developer | React JS / Next JS | Creating functional
and responsive websites for good user experience.
Nairobi, Nairobi County, Kenya

Summary

Mastering the art of crafting immersive web experiences with MERN,
I bridge creativity and functionality, transforming ideas into pixel-
perfect reality.

Experience

Freelance
Frontend Developer
January 2023 - Present (8 months)

I designed and developed a Christian Union Website using React JS and
Tailwind CSS. Here is the link https://luckybravine.github.io/christian-union-
static-version/
